

Bozman Farms Board of Directors Candidate Statement

My name is Taylor Vaughan-Thomas, and I am running for a seat on the Bozman Farms Board of Directors for the Fall of 2021. In November, I will have lived in Bozman Farms for 14 years, and would like to do my part to help make this subdivision all that it can be and more!

Personally, I am a wife and stepmother. My husband, Jason and I live in Phase I, on Cedar Branch, along with my mother, who moved in about 6 years ago, and my 19-year-old stepson, Hayden, who moved in with us last year after he graduated high school. Hayden will be heading off to college this Fall, and will be attending the University of Arkansas. I think its customary at this point to say “Wooo, Pig, Sooie” or “Go Hogs”, but I’m much more of a “Roll Tide” girl, so I’ll just sport the crimson and white and pretend it’s a different “A” school that I’m cheering for! 😊

I would like to serve on the Board of Directors so that I can assist in keeping Bozman Farms a premier neighborhood to live in and raise a family. There is nothing like the sense of family we have in this subdivision, and I would like to see that continue for many years to come. I am a born leader, and am always willing to step in and help when needed. I work from home, so I have the time and willingness to serve our community well. I would like to see the HOA become the voice of the neighborhood, make positive improvements to the grounds and facilities, and be able to financially make those improvements in the most effective way possible. I am currently a member of the Steering Committee and have been focusing on the Cemetery Cleanup Project. I also volunteered at the last Spring Fling (kid’s kite decorating) as well as the Annual Crawfish Boil (waterslide).

Regardless of whether or not I am elected to the Board, I will continue to volunteer and help where needed, and will give my support to the Bozman Farms HOA and its Board of Directors. Thank you for your consideration.
